

Hello!

Thanks for taking a moment to fill out this questionnaire which will help our copywriters craft your bio. We're looking forward to learning more about you and how you got here.

If you already have a prewritten bio that you like, paste it at the bottom of this document and we'll use as much of it as we see flows with the rest of your coaches' bios.

Also, please take this questionnaire seriously. What you write will be the foundation of a bio that's going to live on your gym's website for a long time. Potential and current members will be visiting this page on your website frequently, so don't be afraid to brag here. That's what this section is about. :)
